- 1) All expenses, charges and costs of maintenance, repair or replacement of the common elements and the assets of the Corporation and any other expenses, charges or costs which the Board may incur or expend pursuant to its duties shall be assessed by the Board and levied against the Owners in the proportions in which they are required to contribute to the common expenses as set forth in the declaration.
- 2) The Board shall from time to time and at least annually prepare a budget for the property and determine by estimate the amount of common expenses for the next ensuing fiscal year or remainder of the current fiscal year. The Board should allocate and assess such common expenses as set out in the budget for such period among the Owners according to the proportion in which they are required to contribute to the common expenses as set forth in the declaration.

10.01 Reserve Fund

- 1) The Board shall establish and maintain a reserve fund in accordance with the Act.
- 2) The reserve fund(s) shall be kept in separate interest bearing accounts with any chartered bank or trust company branch in the Town of Arnprior or Renfrew (as the Board may from time to time determine) and may be invested in interest bearing term deposits, guaranteed investment certificates, treasury bills and similar instruments of any such bank or trust company maturing not later than five (5) years from their date of issue and fully insured by the Canada Deposit Insurance Corporation; provided always that any such instrument may be converted to cash before maturity and within sixty (60) days of request therefor, with or without penalty.

10.02 Additional Expenditures

Any expenditures not contemplated in the budget and for which the Board shall not have sufficient funds may be assessed at any time during the year in addition to the annual assessment, by the Board serving notices of such further assessment on all Owners which shall include a written statement setting out the reasons for the additional assessment.

10.03 Delivery of Assessments

- 1) The Board shall advise all Owners promptly in writing of the amount of common expenses payable by each of them respectively determined as aforesaid and shall

deliver copies of each budget on which such common expenses are based, to all Owners and mortgagees entered on the record.

10.04 Owners Obligations to Pay Assessments

- 1) Each Owner shall be obliged to pay to the Corporation the full amount of such annual assessment within ten (10) days after the delivery or mailing of the notice of the annual assessment to the Owner. Upon receipt of a request from and for the express convenience of the Owner, the Board may adopt, by resolution, a pre-authorized payment or similar plan for the convenience of the Owners, provided always that upon cancellation of the plan or any default occurring on the part of the Owner, the balance of the annual assessment together with interest accruing thereon from the date of default at the rate specified in Article 10.05(2) herein shall become immediately due and payable to the Corporation.
- 2) The Owner may arrange for the payment of his proportionate share of the common expenses by means of a pre-authorized chequing or other similar plan approved by the Board whereby the Corporation shall be entitled to debit the bank account of the Owner each month to collect one-twelfth (1/12) of the annual assessment. The acceptance by the Board of this alternate method of payment by the Owner does not constitute a waiver of the Owner's obligation to pay his proportionate share of the annual assessment as hereinbefore provided and, where the Owner fails to ensure that the Corporation is able to make automatic monthly deductions from his bank account or where the Owner terminates the plan or there are insufficient funds in the account to cover the automatic deduction, the then unpaid balance of the Owner's assessment for the year shall become immediately due and payable together with interest thereon calculated in accordance with Article 10.05(2) herein until paid. The Board may, by resolution, authorize such alternate methods of payment as it may reasonably determine provided always that any such method of payment shall apply consistently to and for the convenience of all interested Owners.

- 2) arrears of payment required to be made under the provisions of this Article X shall bear interest at the rate of four (4) percentage points above the minimum lending rate charged by the Corporation's Bank on Canadian currency loans made by it to its preferred commercial borrowers in Canada effective as of the date the Owner has fallen into arrears and to be varied from time to time in accordance with changes in the said minimum lending rate until payment has been received in full from the Owner. Interest at the aforesaid rate shall be charged from time to time on the unpaid balance of common expenses plus unpaid interest and any legal costs incurred by the Corporation in the collection or attempted collection of the unpaid amount and interest shall be charged upon the aggregate total amount monthly and shall be compounded monthly until paid; and

- 3) in any lien proceedings instituted by the Corporation to collect common expenses from the Owner, there shall be added to any amount found due all costs of such action including costs as between a solicitor and his own client.
